## BACKGROUND AND LEGISLATION

### BACKGROUND

Codes of conduct establish standards of behaviour to be followed and define how individuals are expected to behave towards each other, towards the children in their care, and towards other organisations and individuals in the community.

The approved provider, nominated supervisor, early childhood teachers, educators and all other staff have a duty of care to the children attending the service and must ensure ‘that every reasonable precaution is taken to protect children being educated and cared for by the service from harm and from any hazard likely to cause injury’ (*National Law: Section 167*).

The *National Quality Standard* requires that all staff be respectful and ethical and that ‘professional standards guide practice, interactions and relationships’ (*National Quality Standard: 4.2 and 4.2.2*). Employers also have a legal responsibility to provide, as far as is practicable, a safe workplace that is free from discrimination, bullying and harassment.

*Child Safe Standard 3* requires services to develop and review codes of conduct that establish clear expectations for appropriate behaviour with children including:

- how to respond to risks adults may pose to children or that children may pose to each other

- how to ensure the cultural safety of Aboriginal children and culturally and linguistically diverse children
- how to be inclusive of all children, including children with a disability or identifying as LGBTQIA.

A Code of Conduct should be informed by the service's philosophy, beliefs and values, and based on ethical principles of mutual respect, equity and fairness. Consideration should be given to the Victorian Teaching Profession *Code of Conduct and the Code of Ethics* and to the Early Childhood Australia's *Code of Ethics* in developing the code of conduct.

The approved provider must ensure that the nominated supervisor, early childhood teachers, educators, other staff, contractors, volunteers, students on placement, parents/guardians, children and others attending the programs and activities of HEP adhere to the expectations outlined in the Code of Conduct when communicating to and interacting with:

- children at the service and their parents and family members
- each other
- others in the community.

#### DEFINITIONS

The terms defined in this section relate specifically to this policy. For regularly used terms e.g. Approved provider, Nominated supervisor, Notifiable Complaints, Serious Incidents, Duty of Care, etc. refer to the Definitions file adopted and updated by HEP from time to time.

**Behaviour:** the way in which one acts or conducts oneself, especially towards others.

**Bullying:** Repeated verbal, physical, social or psychological behaviour that is harmful and involves the misuse of power by an individual or group towards one or more persons. Bullying occurs when one or more people deliberately and repeatedly upset or hurt another person, damage their property, reputation or social acceptance.

**Duty of Care:** A common law concept that refers to your responsibility to adequately protect children in your care from harm. It applies to all staff members within any Victorian early childhood service, and it is usually expressed as a duty to take reasonable steps to protect children from injury that is reasonably foreseeable.

**Ethical conduct:** Behaviour which reflects values or a code of conduct.

**Harassment:** When someone is demeaning, derogatory or intimidating towards another person. Harassment includes:

- racial taunts
- taunts about sexual orientation or gender identity
- sexual harassment: unwelcome physical, verbal or written behaviour of a sexual nature
- repeated insulting remarks.

**Investigator:** A person/staff member assigned or organisation engaged with the responsibility of investigating suspected breaches of the Code of Conduct by the Approved provider

**Nominated Supervisor:** A person who has been nominated by the approved provider of the service under Part 3 of the Act can be the nominated supervisor. All services must have a nominated supervisor with responsibility for the service in accordance with the [National Regulations](#). The approved provider must take reasonable steps to ensure the nominated supervisor is a fit and proper person with suitable skills, qualifications and experience. The Regulatory Authority must be notified if the nominated supervisor for the service changes or is no longer employed at the service within 14 days.

**Notifiable Complaints:** A complaint alleging that a serious incident has occurred while the child is educated and cared for or complaints alleging that the Law has been contravened ([National Law: Section 174\(2\)\(b\)](#)). Any complaint of this nature must be reported by the approved provider to DET ([refer to Definition](#)) within 24 hours of the complaint being made.

The approved provider to notify DET ([refer to Definition](#)) within the specified timeframes below ([National Law: Section 174\(2\) \(b\)](#), [National Regulation 176\(2\) \(b\)](#))

- serious incidents ([refer to Definition](#)) in writing within 24 hours of the incident or the time the person becomes aware of the incident
- any circumstance arising at the service that poses a risk to the health, safety or wellbeing of a child or children attending the service - Within 7 days of the relevant event or within 7 days of the approved provider becoming aware of the relevant information
- any incident where the approved provider reasonably believes that physical and/or sexual abuse of a child has occurred or is occurring while the child is being educated and cared for by the service - Within 7 days of the relevant event or within 7 days of the approved provider becoming aware of the relevant information.
- any allegation that sexual or physical abuse of a child has occurred or is occurring while the child is being educated and cared for by the service.

In addition, approved providers must take reasonable steps to ensure that these incidents and complaints are adequately addressed.

Notifications should be made to the regulatory authority (DET) through the NQA IT System. If this is not practicable, the notification can be made initially in whatever way is best in the circumstances.

**Physical attack:** the direct or indirect application of force by a person to the body of, or to clothing or equipment worn by another person, where that application creates a risk to health and safety.

**Respect:** Demonstrating regard for the rights of individuals, for different values and points of views.

**Serious Incidents:** You must notify the DET within 24 hours of becoming aware of a serious incident ([Section 174\(2\)\(a\) and Regulation 176\(2\)\(a\)](#))

A serious incident ([National Regulation 12](#)) is defined as any of the following:

- the death of a child while being educated and cared for at the service or following an incident while being educated and cared for by the service
- any incident involving serious injury or trauma to a child while the child is being educated and cared for, which:

- a reasonable person would consider required urgent medical attention from a registered medical practitioner; or
- the child attended or ought reasonably to have attended a hospital e.g. a broken limb\*
- any incident involving serious illness of a child while that child is being educated and cared for by a service for which the child attended, or ought reasonably to have attended, a hospital e.g. severe asthma attack, seizure or anaphylaxis

NOTE: In some cases (for example rural and remote locations) a General Practitioner conducts consultation from the hospital site. Only treatment related to serious injury, illness or trauma is required to be notified, not other health matters.

- any emergency for which emergency services attended

NOTE: This means an incident, situation or event where there is an imminent or severe risk to the health, safety or wellbeing of a person at an education and care service. It does not mean an incident where emergency services attended as a precaution.

- a child appears to be missing or cannot be accounted for at the service
- a child appears to have been taken or removed from the service in a manner that contravenes the National Regulations
- a child was mistakenly locked in or out of the service premises or any part of the premises.

Examples of serious incidents include amputation (e.g. removal of fingers), anaphylactic reaction requiring hospitalisation, asthma requiring hospitalisation, broken bone/fractures, bronchiolitis, burns, diarrhoea requiring hospitalisation, epileptic seizures, head injuries, measles, meningococcal infection, sexual assault, witnessing violence or a frightening event.

If the approved provider is not aware that the incident was serious until sometime after the incident, they must notify the regulatory authority within 24 hours of becoming aware that the incident was serious.

Notifications of serious incidents should be made to the regulatory authority (DET) (*refer to Definition*) through the NQA IT System. If this is not practicable, the notification can be made initially in whatever way is best in the circumstances.

**Sexual harassment:** includes offensive gestures, leering, staring or suggestive comments about a person's physical appearance, inappropriate physical contact, unwanted invitations of a sexual manner, sexually orientated jokes, sending of obscene letters, notes, telephone texts or emails.

**Support:** Work in a co-operative and positive manner.

**Threat:** a statement or behaviour that causes a person to believe they are in danger of being physically attacked.

**Unreasonable behaviour:** includes actions of individuals or a group and may involve using a system of work as a means of victimising, humiliating, undermining, or threatening.

**Verbal harassment:** includes name-calling, offensive language, putting people down.
